FORM: Residential (MCU, BWAP) Checksheet

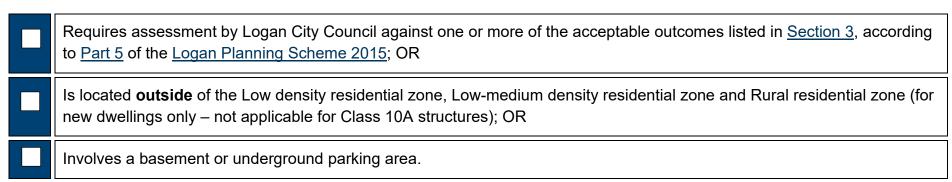

Updated March 2025 for Logan Planning Scheme 2015 v9.1 with TLPI No. 1/2024

This form will help people preparing an application for a proposed development in Logan which:

AND meets **ANY** of the following criteria:

Auxiliary unit)

PRIVACY COLLECTION NOTICE: Council collects personal information in order to provide services and information. It may be used to update records, contact you about Council businesses and can only be accessed by Councillors, employees and authorised contractors. All information is handled in accordance with Council's Privacy Policy and Procedure. Visit <u>logan.qld.gov.au/privacy.</u>

Section 1: Development Details

Address	
Zone and precinct	
Description of proposal	E.g. Carport – reduced front setback.
RiskSmart	Is this a RiskSmart application?
Properly Made requirements	All properly made requirements are satisfied as per the <i>Planning Act 2016</i> ? Yes Note: To learn more visit Application forms and lodgement and Properly made applications on Council's website.
Lodgement	Applications are to be lodged online. Yes Note: Please fill-out this document electronically, save as a renamed document and send electronically. Do not print, fill-out and scan this form.

Section 2: Using this checksheet

All criteria are relevant unless specified otherwise.

When the proposal complies with the Acceptable outcome, please tick "Complies with Acceptable Outcomes" in the justification box.

When the proposal does not comply with the Acceptable outcome, please write a statement addressing the Performance outcome in the justification box.

The table below lists the applicable outcomes (appearing in <u>Section 3</u>) which apply to residential development meeting the criteria listed at the top of this form. Please refer to the <u>Residential (CAR) Checksheet</u> for proposals which are non-compliant with all other provisions.

Application Type	Outcomes to apply
Material change of use (MCU) for new dwellings and secondary dwellings (where identified as being applicable)	AO20, AO21, AO22, AO27, AO30, AO31.1, AO31.2, AO32, AO33, AO34, AO35, AO36, AO37, AO38.1, AO38.2 AO39, AO40, AO41 (see Note 1 and 4)
Building work (BWAP) - Class 10A (structures such as sheds and carports) and extensions	AO7.1 (excluding (b)(i)), AO7.2, AO8, AO9, AO10, AO12, AO14, AO15, AO16, AO17, AO18, AO19.1, AO19.2, AO20, AO21, AO22, AO23, AO27, AO28, AO29, AO30, AO31.1, AO31.2, AO32, AO34, AO35, AO36, AO37, AO38.1, AO38.2, AO39, AO40, AO41 (see Note 2 and 4)

Notes:

- 1) These outcomes include provisions relating to the Biodiversity areas overlay, Flood hazard overlay, Heritage overlay, Landslide hazard and steep slope area overlay and Waterway corridors and wetlands overlay. They apply only to the extent that those overlays impact the site of the proposed development.
- 2) For BWAP, these outcomes include all overlay provisions, applicable to the extent that they impact the site of the proposed work.

DM #16381984 - Residential (MCU, BWAP) Checksheet

Phone: 07 3412 5269

Email: <u>development@logan.qld.gov.au</u>

- 3) If the development also requires Council referral under Schedule 9, Part 3, Division 2, Table 3 Design and Siting of the *Planning* Regulation 2017, it will be assessed as an early concurrence response as part of the same MCU/BWAP application. Please refer to **Table 3B** below for the applicable outcomes, which include AO1, AO2, AO3, AO4, AO5, AO6 and AO7.1 (b)(i).
- 4) Temporary Local Planning Instrument No.1/2024 has suspended PO24/AO24, PO25/AO25.1 and AO25.2 and PO26/AO26.1 and AO26.2 of the Dual occupancy and Dwelling house code. Temporary Local Planning Instrument No.1/2024 has introduced PO31/AO31.1 and AO31.2, PO32/AO32, PO33/AO33, PO34/AO34, PO35/AO35, PO36/AO36, PO37/AO37, PO38/AO38.1 and AO38.2, PO39/AO39, PO40/AO40 and PO41/AO41.

Section 3: Assessment benchmarks

3A: Table for accepted development (subject to requirements) and assessable development

Note: only the relevant outcomes are listed here. To view the full development code refer to the Logan ePlan.

Performance outcomes	Acceptable outcomes	Comments
PO7 A domestic outbuilding: a. is of a scale and built form compatible with the premises and adjoining premises having regard to: i. height, mass and proportion; ii. roof form and pitch; iii. building materials; b. maintains or contributes positively to the streetscape and amenity of adjoining premises; c. provides sufficient setbacks for large scale domestic outbuildings to mitigate adverse visual impact to adjoining premises.	AO7.1 A single domestic outbuilding, being a shed or detached garage, or multiple domestic outbuildings, being sheds or detached garages: a. has a total maximum floor area of 150m²; or b. where the floor area exceeds 150m²: i. provides minimum side and rear boundary clearances in accordance with Table 2 - Minimum side and rear boundary clearances for large domestic outbuildings (see Table 2 below); ii. has a maximum building height of 5.5 metres; iii. has a total maximum floor area of 300m².	Applicant justification: Complies with Acceptable Outcomes N/A Officer comment: (Council use only) N/A

Performance outcomes	Acceptable outcomes	Comments
PO12 Where not located on a rear lot, a Dual occupancy (auxiliary unit) provides sufficient space for on-site car parking to satisfy the needs of residents and visitors considering: a. the availability of public transport; b. the availability of on-street car parking.	Where not located on a rear lot, a Dual occupancy (auxiliary unit) provides a minimum of five on-site car parking spaces with a minimum of two spaces being covered. Editor's note - The required minimum of five car parking spaces services both the primary dwelling and subordinate dwelling.	Applicant justification: Complies with Acceptable Outcomes N/A Officer comment: (Council use only) N/A
PO14 Development: a. allows for safe and convenient vehicular access; b. is located to protect trunk infrastructure networks.	AO14 Development: a. is connected to a constructed road; b. is located outside a network identified in Local government infrastructure plan map LGIP-03.00 to 08.00 Plans for trunk infrastructure in Schedule 3 - Logan government infrastructure plan mapping and tables.	Applicant justification: Complies with Acceptable Outcomes N/A Officer comment: (Council use only) N/A

Performance outcomes	Acceptable outcomes	Comments
PO15 A Dual occupancy (auxiliary unit) or Dwelling house maintains the operational integrity of the government supported transport infrastructure and corridor by mitigating the adverse impacts of the infrastructure.	AO15 A Dual occupancy (auxiliary unit) or Dwelling house within 100 metres of government supported transport infrastructure complies with the noise and vibration criteria for accommodation activities identified in section 7 - Development Affected by Environmental Emissions from Transport Policy prepared by Department of Transport and Main Roads.	Applicant justification: Complies with Acceptable Outcomes N/A Officer comment: (Council use only) N/A
Filling and excavation works including batters and retaining walls: a. do not adversely affect infrastructure, including any services; b. do not create a public health hazard; c. maintain the amenity of the surrounding area and adjoining premises; d. are safe, stable and easily maintained.	Filling and excavation works involving batters and retaining walls greater than 1 metre in height from ground level are designed and constructed in accordance with section 3.3 - Filling and excavation standards of Planning scheme policy 5 - Infrastructure.	Applicant justification: Complies with Acceptable Outcomes N/A Officer comment: (Council use only) N/A

Comments

Access and evacuation requirements where development involves:

- a new <u>Dual occupancy (auxiliary unit)</u>; or
- a new Dwelling house (including a secondary dwelling); or
- an increase in the number of bedrooms.

PO38

During the defined flood event, development other than a domestic outbuilding:

- a. is not located in a Low flood island identified on Flood hazard overlay map OM-05.01;
- b. has a vehicle access and a vehicle evacuation route that is:
 - low flood hazard and leads to a suitable flood-free area that contains essential goods; or
 - ii. flooded for less than 36 hours and provides shelter on-site that is located outside an area of flash flooding and above the defined flood event.

AO38.1

During the defined flood event, development other than a domestic outbuilding has:

- a. flood-free vehicle access to a road above the flood level;
- a flood-free vehicle route that leads to a suitable flood-free area that contains essential goods.

AO38.2

During the defined flood event, development has a flood-free vehicle or pedestrian route from dwellings to the flood-free road.

Editor's note – Figure 1 illustrates an example of a development complying with this acceptable outcome.

3B: Table for accepted development (subject to requirements) and assessable development Design and Siting Provisions

Note: these outcomes apply where an early concurrence response is required under Schedule 9, Part 3, Division 2, Table 3 of the Planning Regulation 2017.

Performance outcomes	Acceptable outcomes	Comments
PO1	AO1	Applicant justification:
 A Dwelling house: a. that is: i. on a lot that is less than 450m² in size complies with the Performance Criteria specified in QDC MP 1.1; or ii. on a lot that is 450m² or greater in size complies with the Performance Criteria specified in QDC MP 1.2; b. being a secondary dwelling is visually integrated with the primary dwelling. Note - References to QDC MP 1.1 and 1.2 for the purposes of PO1 are to be applied as if these provisions applied to a secondary dwelling. 	A Dwelling house (and a secondary dwelling and any building or structure ancillary to a Dwelling house): a. that is on a lot that is less than 450m² in size complies with the Acceptable Solutions specified in QDC MP 1.1; or b. that is on a lot that is 450m² or greater in size complies with the Acceptable Solutions specified in QDC MP 1.2. Note - Where Table 9.3.2.3.1 AO3, AO4, AO5, AO6, AO7.1, AO8 or AO9 applies, AO3, AO4, AO5, AO6, AO7.1, AO8 or AO9 prevail over AO1 to the extent of any inconsistency. Note - For the purposes of the QDC and this acceptable outcome, the nominated road frontage for the road boundary	Complies with Acceptable Outcomes N/A Officer comment: (Council use only) N/A
