## Privacy

When you register for a session we will ask for your name, your organisation (if applicable) and contact details, which may include an email address and/or phone number, so that we can send you a link to the session and follow-up with any further information. The information you provide

will only be accessed by Councillors, staff and authorised contractors of Logan City Council. All information is handled in accordance with Council's Privacy Policy and Procedure. You can learn more by visiting [logan.qld.gov.au/privacy](http://logan.qld.gov.au/privacy).

After the sessions Council may publish general information about the number of sessions delivered, participation rates and the types of questions asked or topics discussed. No personal or property specific information that may identify an individual will be published.

## About Logan Plan 2025

Queensland's planning legislation (*Planning Act 2016*) sets out a framework for the creation and management of policies at state, regional and local levels to manage land use planning, assessment of proposed development and related matters. The [Logan Planning Scheme 2015](#) is the local planning instrument which governs these matters in the City of Logan. There have been multiple amendments adopted since 2015 as part of a program of continuous improvement. In 2021, Council decided to prepare a new planning scheme, Logan Plan 2025, to ensure our 'book of rules' for growth and development aligns with updated Queensland Government plans and policies, and the changing needs of our community, environment, and lifestyles as our city grows. You can learn more about Logan Plan 2025 by visiting our [Online Community Portal](#) (scan QR code).
